Dear Roma,

Congratulations on the publication of your book *The “Perfect” Parent* in Simplified Chinese!

We are so proud that your book has not only won multiple awards in the US, but also resonates with other cultures. It is not easy to get a foreign publisher to produce a book on parenting from the US because of the different cultural views. Your perspective clearly appeals to more than just an American audience.

You should receive your copies of the book soon. We hope that you enjoy seeing it produced in a different language. It will definitely make a good conversation piece.

Below is some additional information that you can share with friends and family about the Chinese edition.

The Simplified Chinese edition (ISBN: 9787545610567) was published by Beijing Sunbook Culture & Arts Co., Ltd., on July 1, 2017.

It is available in both print and ebook formats on Amazon China as well as from the two online biggest distributors in China, www.jd.com and www.dangdang.com.

We hope that you are as excited as we are about the new edition!

Sincerely,
Kristine
